of the applicant:

Alca plast, s. r. o.

Lovosická 770, 190 00 Praha 9, Czech Republic

IČ: 25655809

DIČ: CZ25655809

from the production site:

Alca plast, s. r. o.

Lanžhotská 27, 690 02 Břeclav, Czech Republic

The Authorized Body ascertained conformity of the product properties with essential requirements of the Government Order No. 163/2002, Collection of Laws, as amended by the Government Order No. 312/2005, Collection of Laws, made specific by the **Building Technical Certificate STO-AO 224 – 1983/2005/a**

Further, it ascertained that the factory production control system ensures that the products placed on the market fulfilled the requirements laid down by the Building Technical Certificate and met the technical documentation pursuant to Section 4, Subsection 3. An integral part of the present Certificate is the Report No. **783500532/2007** dated **27th March 2007** containing conclusions of ascertainment verification performed and the test results obtained.

At least once in 12 months, the Authorized Body exercises a supervision of a proper operation of the factory production control system pursuant to provision of Section 5, Subsection 4. If the Authorized Body finds any shortcomings it has the right to cancel or amend the Certificate it has issued.

Zlín, 14th April 2004

Revision a.) 15th September 2005

Revision b.) 27th March 2007

RNDr. Radomír Čevelík

Representative of Authorized Body 224
